WALKERN MUSIC AND **BLUES** AT THE **RED** PRESENT THE **MAYFEST**
BLUES AND ROOTS EXTRAVAGANZA
AMAZING BANDS INCLUDING

THE NIMMO BROTHERS

The Nimmo sound is stronger and more powerful than ever as they dust down the old orange valve amps and haul out their treasured Les Pauls and Strats from retirement to become THE band to be reckoned with on the world blues scene.

BLUEHORSES

Bluehorses - The UK's top Celtic rock band featuring Welsh/Irish gothess Liz Prendergast on vocals, electric violin and electric Celtic harp. Probably the only Celtic-rock-folk-heavy-metal-goth band around.

THE STORYS **DYLAN PROJECT**

"Wonderful songs, great playing and instinctively beautiful harmonies. The album is a gem" Bob Harris

Whether you are a diehard Dylan fan or just enjoy great songs performed with flair and brio, The Dylan Project will take your breath away.

CHRIS JAGGERS 'ATCHA'

Hard driving cajun rockers and growling blues reaching into slippery New Orleans funk.

DERRIN NAUENDORF

The guitar 'Wizard of Oz' with his band.

FUNKYDORY

Strap Stanley Clarke to the front of a Intercity 125 with Janis Joplin driving and that's not far off where we're at.

HUMMINGBIRD

JOHN CRAMPTON

A one-man Blues Explosion! Blistering Slide guitar with a voice as rough as Mississippi dirt.

VINDER

WATCHMAN
Graham Robins

Don't forget The Hog Roast & Festival Stalls!
